Dated: 1st November 2007

P.C.:

Having heard the learned counsel for the parties, there is no need for this court to keep this petition pending further. The only grievance of the petitioners is that the gate no. 69 may be closed but gate no. 70 may be kept open, however, some pacca road may be provided under the bridge. The learned counsel for the Railways submits that there was mutual agreement between the villagers and department of Railways that gate no.69 would be permanently closed while gate no.70 would kept open for 24 hours. He further submits that villagers will be provided with pacca road under the bridge and they have already worked out the plan which will be commenced shortly.

The learned counsel for the State states that they will connect their road which will ultimately goes under the bridge. In view of this statement of the learned counsel, nothing survives in this petition and the same is disposed of accordingly. Parties to abide by their statements. Authorities concerned to complete the work expeditiously.

CHIEF JUSTICE

Dr. D.Y.CHANDRACHUD, J.
